Hi all -

Please find attached (again) the CVs and the excel spreadsheet for the External Peer Reviewers. This one has what I pulled from the CVs we've received. We seem to still be missing dose response expertise, and we are limited for cancer biology. We had requested 14 to choose from, and only received 9. I think (depending on what you all feel) that we should send it back for them to look for more experts in those two areas at least.

I know the contractor looked for COI, **Deliberative Process / Ex. 5** I did not notice anything obvious about the other candidates.

Thanks, and thanks for meeting without me to move this forward.

Maureen

Attached please find the CVs and an Excel that shows what we asked for for expertise (the top of the table has numbers in parantheses to demonstrate that).

Deliberative Process / Ex. 5

Thanks!
